How to Redeem Program Credits for Online Girl Membership Registration:

- Program Credits may be submitted for reimbursement for online registration when payment is made online via the troop account or guardian debit card. Troop members may be re-registered online by the Leader/Guardian through the **My GS** portal.
- *Upon processing payment through the online registration website, print your troop roster from your MY GS portal and highlight which girls' registration have been paid to be included with the reimbursement request.*
- Compile all Program Credits and complete the form below. If you have multiple troops, submit a separate form for each troop and include all program credits with each form.
- Program Credits can only be used for the girl named on the Program Credit, unless girls are siblings. If it is used between sisters, write the correct name for the sister who is using the program credits on both the program credits and the form below.
- Program Credits CANNOT be used for adult registrations.
- Please allow at least two weeks once the form is submitted for check processing.
- Form and Program Credits must physically be submitted to the Boise Council office by either in-person drop-off or mailing to the address above.
- Contact customer@girlscouts-ssc.org with any questions.
