Parent/Guardian Permission and Contract for the Cookie Program

We realize that the Girl Scout Cookie Program cannot happen without the support of family. You are helping your Girl Scout and her team not only sell a product, but represent Girl Scouts in the community and build skills that last far beyond Cookie Season. The goals that girls set as individuals and as a team support their learning and dreams, as well as contribute to Girl Scouting for all girls in Silver Sage Council.

My daughter is a member of Girl Scouts of the USA and has my permission to participate in the 2010 Cookie Program. In so doing, I agree to accept financial responsibility for all products and money she receives. I will see that she does not sell prior to the official starting date and that she has adult guidance at all times.

Parent/Guardian Authorization:

- I have reviewed the Cookie Program information and agree to allow my daughter to participate in the Cookie Program.
- I have reviewed the information about Cookie Club and agree to allow my daughter to have access to the Cookie Club.
- I hereby consent that the photographs in which she appears may be used in Girl Scout publications.

The Online Cookie Club

The Cookie Club is a password-protected, private area only for Girl Scouts and their parents, and authorized Girl Scout council members. The Cookie Club will sync with eBudde, a tool used by adult cookie volunteers and the council. This will enable the council and Little Brownie Bakers® to track participation in the Cookie Club and measure how Club participation affects the Cookie Program. This is an exciting opportunity to participate in research that will assist us in helping girls get the most out of the Cookie Program, as well as an opportunity to use relevant technology that is being used in the business world daily.

Safety is important to us. That's why the first step of the Cookie Club is the online safety and cookie sale safety certification. In order to use the Cookie Club, a girl must have parental permission. Adult volunteers will enable only those girls for whom they have received permission to participate in the online Club activity.

You can learn more about the Cookie Club at www.littlebrownie.com. If you give permission for your girl to participate in this opportunity, you will receive further instructions about how to access the safety certification and Cookie Club area. All e-mail addresses used in this process will remain protected and will not be used for anything other than this Girl Scout Cookie Program. Girls will be identified only by their Troop/Group number and age level and their first and last name initial.

Girl Scout Internet Safety Pledge

Girls who will participate in Internet Marketing must make the following pledge:

- I will not give out personal information such as my address, telephone number(s), parent's or guardians' work address/telephone number(s), and the name and location of my school without the permission of my parent or guardian.
- I will tell an adult right away if I come across or receive any information that makes me feel uncomfortable.
- I will always follow the rules of Internet sites, including those rules that are based on age of use, parental approval and knowledge, and public laws.
- I will never agree to get together with someone I "meet" online without first checking with my parents or guardians. If my parents or guardian agree to a meeting, I will arrange it in a public place and bring a parent or guardian along.
- I will never send a person my picture or anything else without first checking with my parent or guardian.
- I will talk with my parent or guardian so that we can set up rules for going online. We will decide on the time of day that I can be online, the length of time that I can be online, and appropriate areas for me to visit. I will not access other areas or break these rules without their permission.
- I will not use the Internet to collect money for Girl Scout products, and I will follow all safety guidelines related to Girl Scout product sales.
- I will practice online "netiquette" (good manners) at all times when online.
 - I won't spam others.
 - I will not bully nor will I tolerate bullying (and I will always tell a trusted adult if this is a problem).
 - I won't use bad language.
- I will be guided by the Girl Scout Promise and Law in all that I do online.
