

## Camp Alice Pittenger Driving Directions

Camp signs are indicated by initials (CAP) for the security of the camp.

Follow the Ponderosa State Park signs through McCall, until you come to Lick Creek Road. At the flashing light, turn right onto Lick Creek Road instead of going straight ahead and into Ponderosa Park. Watch for the Pilgrim Cove Camp sign on your left at Pilgrim Cove Road. (You will also see a smaller Camp Alice Pittenger sign.)

Turn left onto Pilgrim Cove Road. The road will turn into gravel within about 200 yards at a stop sign. Continue straight ahead on the gravel road (make no right turns), until you come to what looks like a dead end. Turn to your right and go down the hill into camp. **PLEASE DRIVE SLOWLY.**
