

Senior/ Ambassador (Grades 9-12) Post-Outcome Survey

Instructions:

How often have you seen something that really needed to be changed and wondered, "Why isn't someone doing something about that?" Okay, we're not talking about curfew – not much you can do about that, right? But rather, we're talking about things like relationships, positive and negative. Things like community service and making a difference.

This survey consists of 16 questions which are meant to give you an outlet for voicing your opinion on things that matter to you. It's not a test. After you read the question, listen to that inner voice and circle the best answer which makes the most sense to you.

And on a final note – you are awesome. Seriously, you are so amazing, and we (the folks at Girl Scouts, including your advisor) really appreciate you!

When you complete the survey please hand it to your advisor.
