Ash Grove

Down yonder green valley, Where stream-lets meander
When twilight is fading I pensively rove.
Or at the bright noontide In solitude wonder

Amid the dark shades Of the lonely Ash Grove.
Tis there where the black bird Is cheerfully singing,
Each warbler enchants With their note from a tree.
Ah, then little think I Of sorrow or sadness;
The Ash Grove Enchanting Spells beauty for me.

Baby Bumblebee

I'm bringing home a baby bumblebee. (carry in hands)
Won't my mommy be so proud of me?
I'm bringing home a baby bumblebee.
Ouch, he stung me. (look at hands)

I'm smashing up my baby bumblebee. (smash with hands)
Won't my mommy be so proud of me?
I'm smashing up my baby bumblebee.
Ooh, what a mess. (look at hands)

I'm licking up my baby bumblebee. (pretend to lick hands)
Won't my mommy be so proud of me?
I'm licking up my baby bumblebee.
Ooh, I feel sick. (hold stomach)

I'm barfing up my baby bumblebee. (pretend to throw up)
Won't my mommy be so proud of me?
I'm barfing up my baby bumblebee.
Ooh, what a mess. (look at floor)

I'm sweeping up my baby bumblebee. (pretend to sweep it up)
Won't my mommy be so proud of me?
I'm sweeping up my baby bumblebee.
See mommy, here's my baby bumblebee. (hold out hands)

Back Of The Bread

Back of the bread is the flour
And back of the flour is the mill
And back of the mill is the wind and the rain
And the Father's will.

Backwards Song

I walked up my door and opened the stairs.
I said my pajama's and I put on my prayers.
Turned off my bed and jumped into the light
All because you kissed me goodnight.

Well, I woke up the next morning and I scrambled my shoes,
Shined up an egg, And tossed the news,
Buttered my tie and took another bite all because you kissed me.
Never could resist me, all because you kissed me goodnight.

Banjo

I use to play on my banjo, but my banjo got broke.

They fixed the strings on my banjo and now it's good as new.

Barges

1. Out of my window looking in the night, I can see the barges' flickering light. Silently flows the river to the sea, and the barges too go silently,

Chorus

Barges, I would like to go with you; I would like to sail the ocean blue. Barges, have you treasures in your hold? Do you fight with pirates brave and bold.

Bed is Too Small

Bed is too small for my tiredness
Give me a hill topped with trees
Tuck a cloud up under my chin
Lord, blow the moon out please.

Rock me to sleep in a cradle of dreams
Sing me a lullaby of leaves
Tuck a cloud up under my chin
Lord, blow the moon out please.

Blowin' In The Wind

How many roads must a man walk down before you call him a man? How many seas must a white dove sail before she sleeps in the sand? How many times must the cannon balls fly before they're forever banned?

The answer, my friends, is blowing in the wind, The answer is blowin' in the wind.

How many times must a man look up before he can see the sky? How many ears must one man have before he can hear people cry? How many deaths will it take till he knows that too many people have died?

The answer, my friends, is blowing in the wind, The answer is blowin' in the wind.

How many years can a mountain exist before it is washed to the sea? How many years can some people exist before they're allowed to be free? How many times can a man turn his head and pretend that he just doesn't see?

The answer, my friends, is blowing in the wind, The answer is blowin' in the wind

The cannibal king with the big nose ring

Cause that wouldn't look good
Pretty daisy on my toe.

Stop complaining said the farmer, who told you a calf to be
Why don't you have wings to fly with, Like the swallow so proud and free.

Faithful to country, loyal to home

Known as true Girl Scouts, wherever we roam.

Dig a duck, dig a duck, dig a duck a day

Oh I gotta dig a duck, gotta dig a duck a day
For I get a buck a duck if I dig a duck a day
So I gotta dig a duck, gotta dig a duck a day

Chorus

2. Oh, it takes a lot of luck and a certain kind of pluck
Just to get around the much just to get a gooley duck
For he doesn't have a front and he doesn't have a back

And his name isn't Donald and he doesn't go Quack!

Chorus

3. I told the waitress yesterday at my favorite cafe
I've gotta dig a duck, gotta dig a duck a day
Well, she offered me turkey and she offered me ham
But what I demand is Washington D. Clam

From shore to shore and o're the waves
We stand for right in our Green Beret.

I Know A Place

I know a place where no one ever goes,
There's peace and quiet, beauty and repose.
It's hidden in a valley, beside a mountain stream.
And lying there beside the stream
I find that I can dream.
Only of things of beauty to the eye,
Snow peaked mountains, towering in the sky.
Now I know that God made this world for me.

One can imagine himself as in a dream.
Climbing up a mountain, or down a small ravine.
The magic of this peace and quiet ever shall stay.
To make this place a haven, each and every day.
Oh! How I wish I'd never have to leave,
All my life this beauty to receive.
Now I know why God made this world for me.

Scooping up the field mice and bopping them on the head. (open hand scoop, then fist and hit fist with other hand)

(Spoken) Down came the Good Fairy, and she said. (bring hands down fluttering fingers)

Little Bunny Fufu I don't want to see you (same actions as in fist line but add pointer finger shaken like a scolding)

Maria

The rain is Tess, the fire Jo and they call the wind Maria.
Maria blows the stars around and sends the clouds a flyin',
Maria makes the mountains sound like folks were up there dying.

Chorus

Before I knew Maria's name and heard her wail and whinin'
I had a girl and she had me and the sun was always shinin'.
But then one day I left my girl,
And now I'm lost, so goldarn lost not even God can find me.

Chorus

Out here they got a name for rain, for wind and fire only,
But when you're lost and all alone there ain't no word but lonely.

Moon On The Meadow

Chorus:

Moon on the meadow, bugs in our ears. Smoke in our eyes, wet wood and tears.
Up on the meadow, water some where, we were the only ones there.

Wild horses and slashing, dry lakes and peaks finding the love that everyone needs,
Hiking to rainbows, sunsets and stars, just finding out who we are.

We will return there, one lucky day, Our hearts will guide us, they know the way.
People in cities don't understand, falling in love with the land.
With you, my friends, I'll be there.

Noble Duke Of York

The noble Duke of York
He had 10,000 men
He marched them up the hill and then
He marched them down again

And when you're up you're up
And when you're down you're down
And when you're only half way up
Your neither up or down.

Now The Day Is Over

1. Now the day is over, Night is drawing nigh; Shadows of the evening Steal across the sky.
2. Through the long night watches, May Thine angels spread Their white wings above me, Watching round my bed.
3. When the morning wakens, Then may I arise Pure, and fresh, and sinless In Thy holy eyes.

Oh, Chester

Oh, Chester have you heard about Harry.
He just got back from the Army.
He nose he kneed (need) not face defeat (de-feet).

On My Honor

Chorus:

On my honor I will try, there's a duty to be done and I say I.
There's a reason here for a reason above.
My honor is to try and my duty is to love.

People don't need to know my name,
If I've done something wrong then I'm to blame.
If I've helped another then I've helped me,
I've opened my eyes so I can see.

I've tucked away a song or two
If you're feeling blue there's one for you
If you need a friend then I'll be one and there's plenty more where I come from.

Come with me where the fire burns bright
You can even see better by candles light
And you'll learn more meaning at a campfires glow
Than you'll ever learn in a year or so.

We made a promise to always keep, we will sing.
Day is done before we sleep
We will be Girl Scouts together and then,
We'll still be trying and singing this song.

On The Loose

Have you ever seen the sunrise turn the sky completely red
Have you slept beneath the moon and stars a pine bow for your bed
Have you sat and talked with friends though a word was never said
Then you're just like me and you've been on the loose

Chorus:

On the loose to climb a mountain
On the loose where I am free
On the loose to live my life
The way I think my life should be
For I've only got a moment
And the whole world yet to see
I'll be looking for tomorrow on the loose.

There's a trail that I'll be hiking just to see where it might go
Many places yet to visit, many people yet to know
So in following my dreams, I will live and I will grow.
On a trail that's waiting out here on the loose.

So in search of love and laughter I'll be traveling cross this land.
Never sure of where I'm going, for I haven't any plan
So in time when you are ready, come and join me, take my hand.
And together we'll share life out on the loose.

One Tin Soldier

Come listen children to a story that was written long ago.
'Bout a kingdom on a mountain and the valley far below.
On the mountain was a treasure buried deep beneath the stone
And the valley people swore they'd have it for their very own.

Chorus:

So go ahead and hate your neighbor, go ahead and cheat a friend
But do it in the name of heaven, so you can justify it in the end.
There won't be any trumpets blowing come the judgment day
But on the bloody morning after, one tin soldier rides away

So the people of the valley sent a message up the hill, asking for the buried treasure.
Tons of gold for which they'd kill. Came an answer from the mountain

With our brothers we will share, all the treasures of the mountain, all the secrets buried there.

So the people of the valley mount their horses, draw their swords,
And they killed the mountain people, so they won their just rewards.
As they stood upon the mountain deep anger, dark in red.
Turned the stone and looked beneath it. "Peace on Earth" was all it said.

Our Chalet Song

High up, high on the mountain, We've founded our Chalet;
High up, high on the mountain, We've founded our Chalet;
Its sloping roof and wide, Shall shelter us without a care,
And each Girl Scout and Guide Shall find a shelter there.

High up, high on the mountain, We go to our Chalet;
High up, high on the mountain, We go to our Chalet;
Our simple life is free, Our hearts are light, our songs are gay.
We ever shall remember The joys of our Chalet.

High up, high on the mountain, We've founded our Chalet;
High up, high on the mountain, We've founded our Chalet;
And this is dedication, Shall never fail nor be undone;
Each race, each creed, each nation, Beneath its roof are one.

Pass It On

1. It only takes a spark to get a fire going
And soon all those around can warm up to its glowing.
2. What a wondrous time is spring, when all the trees are blooming,
The birds start to sing the flowers start their blooming
3. I wish for you my friend this happiness I've found
You can depend on Him, it matters not where your bound.

Chorus:

That's how it is with God's love, once you've experienced it.
You want to spread his fresh like words; you want to pass it on.

Peace

Peace, I ask of thee, oh river, Peace, peace, peace.
When I learn to live serenely Cares will cease.
From the hills I gather courage, Vision of the day to be.
Strength to lead and faith to follow, All are given unto me.
Peace, I ask of thee, oh river, Peace, peace, peace.

Glory, glory, what's it to you.

With nothin on at all.

Puff The Magic Dragon

Puff , the magic dragon, lived by the see

And frolicked in the autumn mist in a land called, Honahlee.

Little Jackie Faver loved that rascal Puff

and brought him strings and sealing wax and other fancy stuff.

Oh, Puff the magic dragon, lived by the sea.

And frolicked in the autumn mist in a land called Honahlee

Together they would travel on a boat with billowed sail

Jackie kept a lookout perched on Puff's gigantic tail

Noble kings and princes would lower their flags when Puff roared out his name.

Oh, Puff the magic dragon lived by the sea

And frolicked in the autumn mist in a land called Honahlee.

Rags

Life's exciting and always new.
In a world of girls and boys
In a world of simple joys.

Give me a paper kite on a windy day.
Oh, I think I'll fly away
With my paper kite on a windy day.
Yes, I think I'll fly away.

Give me a warm spring day and an apple tree
There is nothing that I can't see
When I look out from my apple tree
Look up here and you'll see me.

Running Bear

Chorus:

Oh, Running Bear loves the White Dove with a love as bit as the sky.
Oh, Running Bear loves the White Dove with a love that will never die.

On the banks of the river stands Running Bear young Indian brave
And on the other side of the river stood a lovely Indian maid,
Little White Dove was her name. And what a lovely maid was she.
But their tribes fought one another so their love could never be.

In the moon light he could see her blowing kiss across the waves
Her little heart was beating faster waiting for her Indian brave.

Running Bear jumped into the water and Little White Dove did the same
As they swam out to each other to the swirling water they came.
As their hands clasped and their lips spake the swirling waters brought them down.
Glug, glug, glug, glug, now they always be together in the happy hunting ground.

Taps

Day is done, gone the sun, From the lakes, from the hills,
from the sky. All is well, safely rest, God is nigh.

Thanks and praise, for our days, 'Neath the sun, 'neath the stars,
'neath the sky. As we go, this we know, God is nigh.

Fading light, dims the sight, And a star gems the sky gleaming bright
From afar drawing nigh, falls the night.

Tennessee Wiggle Walk

I'm a bowlegged chicken, I'm a knock-kneed hen
Haven't been so happy Since I don't know when.
I walk with a wiggle and a swiggle and a swack

Doin' the Tennessee wiggle walk.

Put your heels together and your knees apart. Flap your elbows ready and start.
Snap your fingers just for luck. As you wiggle and wobble like a baby duck
Come dance with me, baby. Keep you keep your toes in time.
Haven't been so happy in a long, long time.
I walk with a wiggle and a giggle and a swack.
Doin' the Tennessee wiggle walk.

Thank You

(tune of "Michael Row Your Boat Ashore")
Thank you for the world so sweet, Alleluia.
Thank you for the food we eat, Alleluia.
Thank you for the birds that sing, Alleluia.
Thank you, God, for everything, Alleluia.

Thanks Be To God The Father Almighty

Thanks be to God who gives us this bread.
Thanks be to God the spirit eternal.
Thanks be to God Forever.

The Bear

The other day, I met a bear, Up in the woods, a way up there.
He looked at me, I looked at him, He sized up me, I sized up him.
He said to me, "Why don't you run? I see you ain't got any gun."
And so I ran away from there, And right behind me was that bear.
And then right there ahead of me, A great big tree, O Lordy me.
The nearest branch was ten feet up, I'd have to jump and trust to luck.
And so I jumped into the air, And missed that branch away up there.
Now don't you fret and don't you frown, I caught that branch on the way back down.
That's all there is, there ain't no more, Unless I meet that bear once more.

The Growing Up Tree

Oh, Julie & Judy & Janie & Joan,
Were all very little and wished they were grown
So they got together and all did agree
that they would go hunting the Growing Up Tree.
They looked high and low in the street and the park
They looked in the light and they looked in the dark.

Till they met a wise woman who told them that she
Would help them go hunt for the Growing Up Tree.
The Growing Up Tree, The Growing Up Tree,
The wonderful, mystical Growing Up Tree.

The wise woman smiled and she gave them her hand,
She said "Let us join in a bright happy band."
For the Growing Up Tree we will hunt every day
and we'll learn about living as we go our way.
For the Growing Up Tree is not easy to find,
you must hunt with your heart and hunt with your mind.
You must learn to be patient and learn to be wise.
For the thing that you seek is a wonderful prize.
The Growing Up Tree, The Growing Up Tree,
The wonderful, mystical Growing Up Tree.

They hunted for many a year and a day
And the wise woman smiled as they went on their way.
For she knew as she watched them grow wise and grow tall
That the Growing Up Tree grows inside of you, too.
Make it bloom with the things that you learn and you do
And wonders of wonders, you soon will be grown.
Like Julie & Judy & Janie & Joan.
Come along now with me, a Girl Scout you'll be,
And together we'll hunt for the Growing Up Tree.

The Little Green Frog

Aah-oom went the little green frog one day
Aah-oom went the little green frog
Aah-oom went the little green frog one day
and his eyes went aah-aah-oom.

The Lord Is My Shepherd

The Lord is my Shepherd, I'll walk with Him always. Beside the still waters, I'll walk with Him always.

Always, always, I'll walk with him always. Always, always, I'll walk with him always.

The Princess Pat

Chorus:

A wriggabamboo, now what is that?
It's something made by the Princess Pat.
It's red and gold, and purple, too.
That's why its CALLED, a wriggabamboo.

The Princess Pat lived in a tree, She sailed across the seven seas.
She sailed across the channel too, And she took with her a wriggabamboo.

Now Captain Jack had a might fine crew. He sailed across the channel, too.

His ship did sink and so will you. If you don't take a wriggabamboo.

For Thy protection night and day.

This Land Is Your Land

This land is your land, This land is my land from California to the New York island. From the redwood forest to the Gulf Stream waters, This land was made for you and me.

1. As I was walking that ribbon of highway I saw above me that endless skyway, I saw below me that golden valley, This land was made for you and me.
2. I've roamed and rambled and I followed my footsteps to the sparkling sands of her diamond deserts, And all around me a voice was sounding, This land was made for you and me.
3. When the sun comes shining and I was strolling and the wheat fields waving and the dust clouds rolling As the fog was lifting a voice was chanting, This land was made for you and me.

Traveler's Grace

We thank Thee for all our daily bread,
We thank Thee for all our friends so true.
For fields and flowers and nountains high.
The endless space of the sky so blue.

We thank Thee for all the winding roads,
We thank Thee for all the stars so bright.
For desert sands and forest green,
The campfire glow in the lovely night.

Upright, Inright Song

I'm up right, in right, out right, down right happy all the time.
I'm up right, in right, out right, down right happy all the time.
The birds in carol sing throughout the forest green.
I'm up right, in right, out right, down right happy all the time.

*You can keep going faster every time.

*Actions: use your arms to do what the song says.

Waddly Otcha

Waddly otcha, waddly otcha, doodly do, doodly do
Waddly otcha, waddly otcha, doodly do, doodly do.
It's a simple little song and there ain't much to it, all you got to do is doodly do it.
I like the rest but the part I like best is doodly doodly do wooo!

*slap legs two times, clap hands two times, slide hand over tops of each other two times.
Left finger on nose, right finger on left ear, switch, switch, switch.
Repeat.

We Change The World

Chorus

Change the world, come with me. Time to let our dreams fly free.
And it comes so easily, that is our way.
Every moment we're alive, it's our love that will survive
In the Girl Scouts, together, we change the world.

Sisters of every color,
Friends from everywhere.
We all make the difference,
When we show the world we care.
The Girl Scouts are our family,
And they show us what we can be.
And, I believe, together, we change the world.

Chorus

In America, we have so much to give
To our sisters around the world
Who are struggling just to live.
Light the light and do our share,
Reach out your hand and someone's there.
And, I believe, together, we change the world.

Chorus

Whene're You Make A Promise

When e'er you make a promise, consider well its importance,
And when made Engrave it upon your heart.

Where Have All The Flowers Gone?

1. Where have all the flowers gone? Long time passing. Where have all the flowers gone? Long time ago.
Where have all the flowers gone? The girls have picked them every one. When will they ever learn? When will they ever learn?
2. Where have all the young girls gone? They've taken husbands every one.
3. Where have all the young men gone? They've gone to soldiers everyone.
4. Where have all the soldiers gone? They've gone to graveyards everyone.
5. Where have all the graveyards gone? They've gone to flowers everyone.

White Coral Bells

White coral bells upon a slender stalk,
Lilies of the valley deck my garden walk.
Oh, don't you wish that you could hear them ring?
That will happen only when the fairies sing.

Witchcraft

If there were witchcraft, I'd make two wishes
A winding road that beckons me to roam
And then I'd wish for a blazing campfire
To welcome me when I'm returning home.

But in this real world, there is no witchcraft
And golden wishes do not grow on trees
Our fondest daydreams must be the magic
To bring us back these happy memories
Memories that linger, constant and true
Memories we cherish, (camp name) of you.

World Song

Our way is clear as we march on.
And see our flag on high
Is never furled throughout the world.
For hope shall die!
We must unite for what is right
In friendship true and strong.
Until the earth in its rebirth
Shall sing our song, shall sing our song.
