2009 LPGA-USGA GIRLS GOLF

LPGA-USGA Girls Golf provides an opportunity for girls, ages 7 to 17, to learn to play golf, build lasting friendships, and experience competition in a fun, supportive environment preparing them for a lifetime of enjoyment of the game. The only national initiative of its kind, Girls Golf is administered through a partnership between the LPGA Foundation and the USGA, both non-profit 501c charitable organizations.

ABOUT US

The Rocky Mountain PGA Foundation, established by the Rocky Mountain PGA, is a non-profit charitable organization whose purpose is to promote and develop programs dedicated to young people. It is a priority of the Foundation to grow the game of golf while using the game and its core values of honesty, integrity, respect, courtesy, sportsmanship and perseverance to enhance the quality of life for all youth.

It is the mission of the Foundation to teach these positive life skills to all who participate in its programs.

In an effort to achieve its purpose and mission, the Rocky Mountain PGA Foundation oversees and conducts the LPGA-USGA Girls Golf of Boise.

PROGRAM ELEMENTS

The LPGA-USGA Girls Golf offers a progressive learning system on the golf course starting with 3 holes and progressing to 9 holes. At each event the girls receive group instruction touching on the basics of the game including putting, short game, full swing, rules and etiquette. The next step is experiencing play on the golf course.

The LPGA-USGA Girls Golf provides girls with access to the game, the ability to build new friendships and to realize that golf is a fun, life-time sport!
