**Website:** [www.imnh.isu.edu](http://www.imnh.isu.edu)

**Health and Fitness Education**

**College of Southern Idaho Indoor and Outdoor Challenge Courses**

The CSI Challenge Program is a collaboration of the outdoor and indoor low and high element courses. Each program is designed to approach learning in an extraordinary setting, building a foundation for transference of new
skills, common language, strategic planning and knowledge into daily living. The experiences on the challenge course combine fun with physical and intellectual challenges through games, initiatives, low and high elements to create lasting change. Conflict resolution, teamwork, trust, leadership, communication, creativity, and skill development are just a few areas that can be focused on during your program!

The CSI Outdoor Recreation Center uses outdoor adventures to create awareness for environmental stewardship, develop leaders, and promote lifetime active living. Utilizing the vast local resources, the ORC adventures include: kayaking, swimming, hiking, camping, rock climbing, backpacking, hot springing, snowshoeing, skiing, snowboarding, cross country skiing, white water rafting, and open events.

Who: Girls of all ages  
Where: 315 Falls Ave, PO Box 1238

Phone: (208) 732-6697  
E-mail: cgesmaskan@csei.edu  
Website: www.recreation.csi.edu/outdoors

Pocatello Outdoor Recreation
The Outdoor Recreation Program is dedicated to providing quality adventure programs to Pocatello folks that might not have access to them otherwise. To keep costs minimal, expect to pitch in. These are not guided activities. Teaching skills so people can branch out on their own is a top priority. Examples of possible programs include rock climbing or the past activities at the East Fork Mink Creek Nordic Center. They even offer equipment rentals!

Contact Lance by email or by phone at 208-234-6237. He is often on a river or mountain, so be patient and don’t wait until the last minute.

Who: Girls of all ages  
Where: 144 Wilson Ave, Pocatello 83201

Theatre and Arts

Science and Technology

Herrett Center for Arts and Science
The Faulkner Planetarium offers public shows (schedule can be found on their website). Cost $6 for adults, $5 for seniors and $4 for children/students ages 2-17.

The Centennial Observatory offers a free star party (telescope viewing) the 2nd Saturday of the month. Schedule can be found on website along with other “special” events.

“Mingle in the Jungle” is held the 1st and 3rd Tuesday evenings with “hands on” opportunities to learn about reptiles. This is free.

Who: Girls of all ages  
Where: 315 Falls Avenue, Twin Falls ID 83301  
Contact: Carolyn Browning, Herrett Center Coordinator  
Phone: (208) 732-6656  
E-mail: cbrowning@csei.edu  
Website: herrett.csi.edu

Idaho National Laboratory (INL)

Speaker Presentations
INL offers speakers of interest to visit. The professionals at INL are interested in meeting you and sharing their knowledge on science, national energy issues, new technologies, career opportunities, safety education and a variety of other subject. Request a speaker by calling 208-526-4845

Guided Tours
INL offers guided group tours that can be tailored to your group’s interests.
Request a tour at (208) 526-0050 or fill out the [tour request form](#). View tour [guidelines](#). EBR-I Atomic Museum

On December 20, 1951, Experimental Breeder Reactor No. 1 (EBR-1) became the first power plant to produce electricity using atomic energy. It is now a historic landmark and is open to the public from Memorial Day weekend through Labor Day Weekend – seven days a week, 9am-5pm. Admission is free.

**Where:** 2525 Fremont Ave.
Idaho Falls, ID 83415

**Website:** [https://www.inl.gov/](https://www.inl.gov/)

---

**Twin Falls Public Library**

The Twin Falls Public Library is a great resource for troops, either looking for a fun activity to help with badge work, take a tour, or participate in one of their many free activities. The Kids Club offers programs for elementary-aged children from hands-on crafts, games, movies, etc. They have a Design Squad where the girls can learn to think like engineers. They’ll build, design, and have a blast!

To use their internet computers, the girls would just need to have a library card or a computer use card. If they have their own device but don’t have internet access at home, they can bring their device to the library and connect to the WiFi for free. (You don’t have to have a card to use the WiFi.) To sign up for a card, girls would need to come in with a parent or guardian.

Visit their web page often for new activities or call to set up a tour or a scheduled activity for your troop (Kids Club, please call ahead).

**Where:** 201 4th Ave E, Twin Falls, ID 83301

**Website:** [www.tfpl.org](http://www.tfpl.org)

**Contact:** Erica Littlefield, Youth Services Supervisor

**Phone:** 208-733-2964

**Email:** elittlefield@tfpl.org

**Seniors** – Work on your Website Designer Badge

**Miscellaneous**

**Operation LifeSaver**

Ever stopped to consider the dangers involved with crossing highway-rail grade intersections or trespassing on railroad property?

At Operation Lifesaver, our top priority is to educate people on how to be safe around highway-rail grade crossings and railroad tracks.

For information on lesson plans or to have an instructor visit your troop, contact Travis Campbell at 208-412-2481.

For more information, visit [http://www.olidaho.org](http://www.olidaho.org)

**Panera Bakers in Training Program**

Looking for a new activity that is fun and a creative learning experience? The Panera Bread® Bakers-in-Training program is the perfect outing for scout groups ages 5–12, and a great way to interest kids in kitchen essentials and the fundamentals of baking. Available in Boise, Nampa, Meridian, Idaho Falls, and Chubbuck.

Registration is $20 per child and classes must be scheduled at least three weeks in advance. Our program aligns with several earned badges (not provided) for Girl Scout Troops, Wolves, Bears and Webelos. A Panera Bread fun patch is available to all scouts.

For more information or to schedule your visit, please visit [http://bitkids.panerabread.com/scout-groups/](http://bitkids.panerabread.com/scout-groups/)
