Teen Advisory Committee Overview

If you are looking for an exciting opportunity to represent girls in your council, consider applying to become a member of the Teen Advisory Committee (TAC), where you are encouraged to share your creative ideas and your passion for Girl Scouts.

Overall Structure:
- Members must be a Senior or Ambassador Girl Scout (9th-12th grades)
- Committee will include girls from all areas of the council including the two girl board members (co-Presidents) with oversight from a council staff member.

Major Responsibilities:
- To provide girls’ voice to operation, programs, and policies in support of the Board’s strategic goals
- To contribute to the goals set by the committee
- To attend monthly meetings prepared for discussion items
- To conduct two presentations throughout the year to younger girls about opportunities and experiences in Girl Scouting

Time Commitments:
- Attend at least eight meetings a year (summer months included). Meetings are currently scheduled for the 2nd Thursday of every month from 4:30-5:30 at the Council office in Boise. Input from everyone is a key part of the committees’ mission; therefore, attendance should be made a priority*.
- Projects, events and research beyond regular meetings (i.e. TAC Newsletter articles, community awareness engagements, etc.) Estimated hours average approximately 2 hours per month (some months could be 3-4 hours for community engagements, others only an hour).

Additional Information:
- Use SKYPE (or conference call) if you reside outside of the Treasure Valley – we need input from everyone, so even if you can be with us for a few minutes your time is appreciated.
- If you are unable to attend a meeting, please notify one of the Co-Presidents or the council staff member.

The application is posted on our website or you can obtain a copy by emailing program@girlscouts-ssc.org. The committee year begins annually on May 1st; you are encouraged to submit your application by April 20th. However applications are accepted throughout the year.

*We recognize that illnesses and scheduling conflicts occur on occasion. However, we request that careful consideration be given to whether you can meet the time commitments outlined above as you may be dismissed from the committee if you miss more than four scheduled meetings.
