## Product Permission and Internet Safety Pledge

Girls who will participate in Internet Marketing must make the following pledge:

- I will not give out personal information such as my address, telephone number(s), parent's or guardians' work address/telephone number(s), and the name and location of my school without the permission of my parent or guardian.
- I will tell an adult right away if I come across or receive any information that makes me feel uncomfortable.
- I will always follow the rules of Internet sites, including those rules that are based on age of use, parental approval and knowledge, and public laws.
- I will never agree to get together with someone I "meet" online without first checking with my parent or guardian. If my parent or guardian agrees to a meeting, I will arrange it in a public place and bring a parent or guardian along.
- I will never send a person my picture or anything else without first checking with my parent or guardian.
- I will talk with my parent or guardian so that we can set up rules for going online. We will decide on the time of day that I can be online, the length of time that I can be online, and appropriate areas for me to visit. I will not access other areas or break these rules without their permission.
- I will follow all of the Girl Scout Terms and Conditions related to Smart Cookies, as well as all internet safety guidelines related to all other Girl Scout product sales.
- I will practice online "netiquette" (good manners) at all times when online by:
  - Not spamming others.
  - Not bullying or tolerating bullying (and will always tell a trusted adult if this is a problem).
  - Not using bad language.
- I will not post or sell on online sites such as: eBay, Craigslist, Facebook (Buy/Sell/Trade Sites). Sharing the URL and posts on personal pages like Facebook, Instagram and Twitter is allowed.
- I will be guided by the Girl Scout Promise and Law in all that I do online.

## Product Permission and Internet Safety Pledge

### Parent/Guardian Permission and Contract for Product Program Participation

We realize that the Girl Scout Product Programs cannot happen without the support of family. You are helping your Girl Scout and her team not only sell products and cookies but also represent Girl Scouts in the community and build skills that last far beyond the sales. The goals that girls set as individuals and as a team support their learning and dreams, as well as contribute to Girl Scouting for all girls in the Silver Sage Council.

My daughter is a member of Girl Scouts of the USA and has my permission to participate in the 2024-25 Product Program(s). In so doing, I agree to accept financial responsibility for all products and money she receives. I will see that she has adult guidance at all times.

Parent/Guardian Authorization:

- ☐ I have reviewed the Product Program information and agree to allow my daughter to participate in the Fall Product Program starting in September 2024.
- ☐ I have reviewed the Product Program information and agree to allow my daughter to participate in the Cookie Program starting in January 2025.
- ☐ I hereby consent that the photographs in which she appears may be used in Girl Scout publications.
