2025 Summer Camp Guide

Welcome to Camp!

About GSSSC Camps

Part of the Southern Idaho Community for over 100 years, Girl Scouts of Silver Sage is commissioned by Girls Scouts of USA to provide programming to girls throughout the state. GSSSC Camps have spanned generations, from 80 plus years on the shores of Lake Payette, to the mountains surrounding Swan Valley. We strive to bring the best outdoor experiences to girls across Southern Idaho, and from all over the country.

Lets get started!

Check out the next couple pages for need to know information and then dive into all the amazing sessions available for camp this year! When selecting a session, be sure to go off of your girls Fall 2025 grade.

Camp Registration opens online *February 3rd* at 8am! See you there!

Financial Aid

Girl Scouts of Silver Sage welcomes youth and volunteer members in any financial situation.

Camp Scholarships

Girl Scouts of Silver Sage is committed to providing opportunities for all girls to experience camp. If your family or Girl Scout would benefit from financial assistance, please select “Financial Aid” as your payment type when registering for camp. **A registration deposit of \$50 is required from every camper to reserve your spot at camp.** If you do not receive the scholarship amount requested, you can receive a full refund of payments, including the \$50 deposit. Once you register for camp with “Financial Aid” as your payment type, you will receive an email from Silver Sage with a link to the scholarship request form. You will need to complete this form for your request to be reviewed. Each request is considered on an individual basis, and decisions are based on the girl’s need and availability of funds. We ask that Program Credits and earned rewards (e.g. “2025 Bonus Council Adventure Credits”) be utilized whenever possible. **There is a limit of one scholarship per girl.**

Any requests received after the review period will be considered until funds are depleted. Camperships are still available today! Fill out [Camp Financial Aid Form](#) and [Register Now](#).

Bussing

Bussing is changing this year! Select sessions from TAM and (NEW) Camp Alice Pittenger will have bussing available. Schedules are below, look for the bus icon for available sessions!

Meet the Directors

Kristen "Peach" McAdams

Greetings, campers and families!

I am so excited to be joining you this summer as your camp director. My favorite part of camp is the experiences we get to share—whether it's trying something new or having a blast with friends, there's always something magical about the time we spend together. I'm all about creating fun, memorable moments that bring girls closer to each other and in our communities, helping them grow, laugh, and discover new strengths. Fairy CeCe and I can't wait to see you at Friendship Square and start making amazing memories together! Let's make this the best summer yet!

Ashley "Ash" Lookenhouse

Hi Campers!

My name Ashley I am thrilled to be returning for my second year as Camp Director at Camp Alice Pittenger. I am excited to welcome new and returning campers this summer. I have been working with Girl Scouts in camping for six years and can't wait to embark on this summer. Outside of camp you can find me doing all the camp activities, such as hiking, paddleboarding, and shooting archery at the local range. My favorite thing about camp is meeting all of the campers and making sure they have the best time possible.

Photina "Bubbles" Haumschilt

Hello Campers!

My name is Bubbles and I am excited to see you this year at Camp TAM! We have a lot of fun activities and camp themes planned to have a great summer at camp. Everything from archery to horses to arts and crafts to hiking and more. I am a lifetime Girl Scout and outdoor lover. I am looking forward to spending time with you and sharing my love of the outdoors and Girl Scouts with you.

Troop and Family Camp

July 25 - July 27

Calling all nature enthusiasts! Get ready for a wild adventure as your troop or family teams up to complete the Naturalist Badge requirements. Explore the great outdoors, discover local wild-life, and dive into hands-on activities that bring the wonders of nature to life. From identifying plants and animals to learning about ecosystems, each day will be packed with exciting discoveries and fun challenges. Whether you're tracking footprints or creating your own nature journal, this is your chance to connect with the environment and become a true nature expert!
