Troop Annual Report - Due June 1

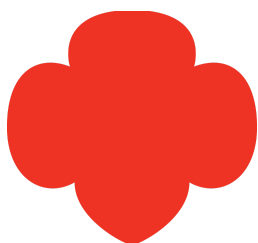

Each membership year, all Girl Scout troops must submit their Annual Troop Finance Report by June 1, 2022. This report can be accessed via the Volunteer toolkit on "MyGS". Along with the report, troops will need to submit all troop account statements from May 2021-April 2022, which must include a brief description for each credit/debit and signatures of the two approved signers on each month.

If this report is not submitted and received by the submission date, the troop bank account may be frozen and become non-accessible until the report is submitted.

Disbanding or Graduating Troops, please fill out a [Troop Disband Notice](#), and submit to your Membership Manager or Customer Care.

Service Unit Report – Due June 31, 2022

How to...

We have created a series of 'how to' videos for a number of tasks located in your MyGS account.

If you are wondering how to update your troop roster, contact information, receive communications, register for a program & then view and fill out any required forms, check-out our how to videos.
