A Message From Dr. Angela Hemingway, CEO

Cookie Season Success Stories: Courage, Confidence, and over 11,000 Boxes Donated!

What a season! Cookie Program 2026 was such a success, and it's all because of our incredible Girl Scouts and the volunteers who showed up, leaned in, and made it happen.

Across our council, girls set bold goals, practiced leadership in real time, and grew their confidence one conversation at a time.

From running cookie booths to pitching customers with purpose, our Girl Scouts demonstrated determination, resilience, and teamwork at every step. And behind every successful girl was a volunteer cheering her on—supporting troop meetings, staffing booths, and helping girls turn challenges into wins. We also raise over 11,000 boxes for active duty military and veterans! Thank you for making this season unforgettable.

Now comes one of the most exciting parts: girls get to decide what's next.

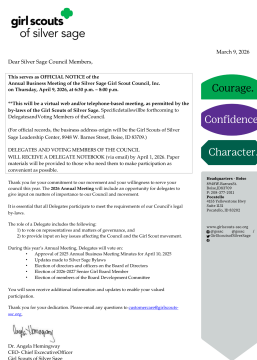

With cookie earnings in hand, girls can:

- Visit the [Girl Scout Shop](#) to gear up for their next adventure
- [Register for summer camp](#)—from first-time campers to seasoned adventurers
- Plan a troop adventure, whether that's exploring the outdoors, earning badges, traveling, or giving back through service

This is what the Cookie Program is all about—girls learning to set goals, make decisions, and turn their hard work into meaningful experiences that build courage, confidence, and character.

Cookie season may be wrapping up, but the adventures are just beginning. We can't wait to see where our girls choose to go next!

Camp Supply Needs

Camp needs your help! We are currently collecting leggings and pants in all youth sizes for campers. Donations help ensure every camper stays comfortable and prepared for outdoor adventures. Leggings and pants collected can be dropped off to Membership Managers at your Service unit meetings or at either Boise or Pocatello office.

Still Looking for a Great Camp?

Cadette Challenge Camp – Push boundaries, build leadership skills, and take on exciting outdoor challenges

Phifanella's Adventure – Explore the outdoors through trail skills and bugs – A perfect introduction to overnight camp for younger Girl Scouts. (Hiker & Bugs Badge)

Outdoor Explorer – Cook Outdoors, pitch tents, and explore what camp life is all about. (Camper & Flower Badge)

Fourth of July Family Camp

Looking for something fun over the holiday weekend? Join us for Family Fun Camp at Camp Alice Pittenger. Families of up to four can register for \$500, \$100 additional family members in the same cabin and enjoy waterfront activities, archery, climbing wall, and classic camp fun.

Ignite Your Spark!

Troop Camp Just Got More Affordable for Leaders!

We're excited to announce that troop camp leaders attend for just the \$50 deposit total—no additional camp fees—as long as the troop meets Girl Scout overnight adult-to-girl ratios.

The number of leaders covered at the deposit-only rate is based on the required Girl Scout overnight ratios for the girls registered for troop camp:

Daisies (K–1):

- 2 unrelated adults + 1 additional adult for every 6 girls
- Example: 12 Daisies = **4 leaders** attend for the \$50 deposit each total

Brownies (2–3):

- 2 unrelated adults + 1 additional adult for every 12 girls
- Example: 24 Brownies = **4 leaders** attend for the \$50 deposit each total

Juniors (4–5):

- 2 unrelated adults + 1 additional adult for every 16 girls
- Example: 32 Juniors = **4 leaders** attend for the \$50 deposit each total

Cadettes, Seniors, Ambassadors (6–12):

- 2 unrelated adults + 1 additional adult for every 24 girls
- Example: 48 girls = **4 leaders** attend for the \$50 deposit each total

Additional leaders beyond the required ratio are welcome and may register at the full camp price. This makes it easier for troops to camp together while meeting safety requirements and keeping costs low for volunteers. Questions about ratios or registration? [Our camp team is happy to help!](#)

**If leaders have already registered, a refund will be issued if appropriate.*

Adopt-A-Counselor: Help Us Welcome Our Summer Camp Team!

This June, we are inviting our amazing community to help us give a warm Boise welcome to the incredible counselors who make Girl Scout camp magic happen!

From June 14–18, we're looking for volunteers to "Adopt a Counselor" by hosting one (or more) of our camp counselors during their 4 days of pre-camp training in Boise. Your support will help them feel comfortable, rested, and ready to inspire girls all summer long.

As a host, you might provide:

- A safe and comfortable place to stay
- Breakfast in the morning
- Maybe a dinner or two
- Transportation to the Council Office each morning

This is a wonderful way to support Girl Scouts and connect with the passionate young leaders who will be guiding girls through unforgettable camp experiences this summer.

If you have a spare room, welcoming home, and a little time to share, we would love your help!

Interested in adopting a counselor?

Please complete the [Adopt-A-Counselor Application](#) and we will contact you directly. Your hospitality will help set the stage for an amazing camp season!

A small act of kindness can help launch a summer full of confidence, adventure, and Girl Scout spirit.

Become a Camp Volunteer – Applications Open Now!

Camp doesn't happen without amazing volunteers—and we'd love for you to be part of the fun. Camp Volunteer applications are now open for the upcoming summer camp season at Girl Scouts of Silver Sage. Camp volunteers support girls as they explore the outdoors, try new activities, build confidence, and create lifelong memories. Whether you enjoy helping with activities, supporting programs, or assisting behind the scenes, there's a role for you at camp.

As a thank-you for your time and commitment, approved camp volunteers receive one free week of camp for their camper, making it even easier for families to experience the magic of camp.

Volunteering at camp is a rewarding way to give back, connect with the Girl Scout community, and experience camp alongside girls. Training and support are provided, and volunteer roles are designed to match a variety of interests and schedules. If you're ready to make a difference and be part of something unforgettable, apply now to become a Camp Volunteer. Visit our website for details on roles, requirements, and application deadlines.

Join us this summer and help make camp possible for every girl!

Entrepreneurship Program

Outstanding Outcomes

Wow! Thank you so much for your participation in the 2026 Girl Scout Cookie Program. Together, we achieved great things! We met customers, practiced skills, blinged booths, and

had lots of fun. [Girls & volunteers were on television, on the radio, and even in the newspaper.](#) We sold a thousand cases more than last year for Operation Cookie, for a total of more than 11,000 boxes of cookies donated! Incredible!

Girl Rewards

Now that the sale portion is over, it's time to learn more about Girl Rewards. Program Credits will be distributed to Service Unit Cookie Managers by the first week of May. Then they will go to Troop Cookie Managers to be distributed to the girls as soon as possible.

We know that girls are excited to receive their patches and other rewards. These will also be sent to Service Unit Cookie Managers and distributed to Troop Cookie Managers to get to the girls as soon as possible. The exception may be very large or very heavy items, and those will be sent to girls directly.

Get STEM This Summer with Micron and INL

Powered by Micron and Idaho National Laboratory, our STEM Day Camps spark curiosity, creativity, and confidence through hands-on learning and real-world exploration. From problem-solving challenges to interactive experiments, each day encourages campers to imagine themselves as innovators and leaders, all in an engaging day-camp experience. Financial assistance is available upon request.

INL STEM Scholars Camp - CO-ED, Grades 3-5

Created by Idaho National Laboratory and guided by Girl Scout Staff & Volunteers, the STEM Scholars Engineering Design Camp invites youth to become engineers for four action-packed days of building, designing, testing, and dreaming big. Throughout the week, they'll explore:

- Energy and water systems

- Simple machines
- Real-world problem-solving
- Hands-on prototyping and recycled-material builds
- A parent showcase on Day 4

9:00 AM drop-off | 9:30-3:00 PM programming | 3:00-3:30 PM pickup | NO AFTER CARE, NO SESSION ON FRIDAY

These camps are open to the public and welcome campers of all youth, while following Girl Scouts of Silver Sage safety standards and best practices to ensure a supportive and secure learning environment.

Micron Camps: Science of Self - Girl Scouts, Grades 6-12

What makes us happy? In The Science of Self & Expression, girls explore the fascinating connections between science, creativity, and human behavior through hands-on activities, self-discovery, and storytelling. By the end of camp, girls will have built a deeper understanding of themselves and others, created meaningful

visual stories, and gained confidence using science and creativity as tools for expression.

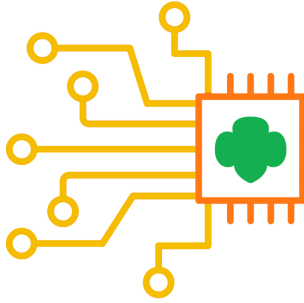

Along the way, they'll collaborate with peers, practice leadership and reflection, and enjoy classic camp fun in a supportive, empowering environment.

Micron Camps: Coding to Robotics - Girl Scouts, Grades 6-12

During the first half of the week, campers learn foundational coding skills-such as functions, loops, conditionals, and data-by creating games, interactive designs, and app prototypes that make a positive impact. In the second half, girls apply those same coding concepts to robotics as they explore how robots work, build and program robot systems, and design a robot prototype to solve a real-world challenge. The week concludes with a Coding & Robotics Showcase, where campers present their digital projects and robotic creations, earn Girl Scout Coding for Good and Robotics badges, and explore future pathways in STEM-all while enjoying classic camp fun

Scouts Take The Capitol!

Scouts Take the Capital is a collaborative civic engagement experience for youth members of Girl Scouts of Silver Sage and Scouting America Mountain West Council. This event will provide Scouts and Girl Scouts the opportunity to visit the State Capitol, learn about how state government functions, and engage in age-appropriate activities focused on leadership, citizenship, and advocacy. Scouts and Girl Scouts will participate by program level in separate, guided experiences that include Capitol tours, discussions about the legislative process, and opportunities to

meet or hear from public officials. The goal of this event is to inspire civic awareness, encourage respectful dialogue, and empower Scouts and Girl Scouts to understand how they can make a positive impact in their communities and state.

Everyone is welcome to attend; however, the first 60 Scouts and Girl Scouts in grades K–5 and the first 60 Scouts and Girl Scouts in grades 6–12 will be eligible to participate in a guided Capitol tour led by Capitol staff. After those capacities are reached, additional Scouts and Girl Scouts will still be able to tour the Capitol with the support of trained volunteers leading group tours.

Help Your Teen Build Smart Savings Habits

Want to set your teen up for financial success? Teach them how to save.

If they don't have a checking or savings account already, help them open one. Encourage them to save a portion of any money they receive, whether it's from allowance, gifts or a job.

To motivate your teen, help them set savings goals for things they care about, like new clothes, trips or their first car. You might choose to add to their savings, or let them save on their own. What's important is that they know they're responsible: they'll need to save to get what they want.

By giving your teen opportunities to save and spend under your guidance, they'll be better prepared to make smart financial decisions as adults.
