Welcome to the Girl Scouts of Silver Sage Community Partner Resource and Badge Connections Guide! We hope this guide is beneficial for your troop in planning your activities.

Each partner organization contains a brief description of their programs, program fees, and age groups they serve. We have also placed symbols with each partner for you to easily identify the Girl Scout level each partner serves. These symbols are in order from:

Girl Scout Level (grades)	Symbol
Daisy (K – 1)	Blue Flower 
Brownie (2 – 3)	Brown Triangle 
Junior (4 – 5)	Purple Circle 
Cadette (6 – 8)	Red Diamond 
Senior (9 – 10)	Orange Rectangle 
Ambassador (11 – 12)	Yellow Polygon 

Many partners can work with all age levels though and can tailor activities to your troop's interests. Please check with the partner if your troop is looking for other activities not listed.

If your troop has worked with a business or organization not listed here and would like to share with other troops, please contact customercare@girlscout-ssc.org.

Thank You!
