Happy Reading!

Read a book....

Outside	That was made into a movie	That takes place in another country	That is nonfiction	By a new-to-you author
With a map inside	With an animal on the cover	With a blue cover	With a female main character	With magic
A graphic novel	About friendship	Recommended by a friend or family member	In your pajamas	With talking animals
About friendship	You finish in a day	You've read before (and loved!)	Set in the future	That makes you think
With a food on the cover	While eating a summer treat	That makes you laugh	That is a mystery	About a real person
That's been on your shelf for a while	With a one word title	That's part of a series	That makes you feel brave	With a holiday in it
Set in the past	Where characters go on an adventure	That takes place in your home state	With your family	Aloud to your pet or stuffed animals
With a fairy in it	With a green cover	With a friend	That takes place in the summer	Your choice!
