Service Unit Invite a Friend Event

Service Units are the heartbeat of the Girl Scout experience. Through fun, creative events and meaningful community engagement, you bring Girl Scouts to life in your local area.

For the 2025–2026 membership year, we’re inviting Service Units to support recruitment efforts by hosting an event that welcomes prospective girls and their families! To support your efforts, the council will provide a \$50 reimbursement to each Service Unit that hosts a qualifying event.

Let’s work together to inspire new girls to join the fun and adventure of Girl Scouts!

Service Unit Challenge:

The Service Unit with the highest percentage of troops that meet or exceed their total number of girls from the end of the 2025 membership year will receive \$150 in their Service Unit account to use toward a Girl Scout event.

Qualifying Service Units Will:

- Submit their “Invite a Friend” event flyer with a date to Customer Care by October 31st.
- Host their “Invite a Friend” event by 6/1/26.

Additional Information:

- “Invite a Friend” event must be free for all attendees
- “Service Unit Challenge” winner will be announced on 6/1/26
